## Introduction

This booklet provides details of all the Training courses provided by the Family Information, Childcare and Play Team for January - March 2020.

## Family Information, Childcare and Play Team

The Family Information, Childcare and Play Team plan and co-ordinate mandatory training courses required by the Care Inspectorate Wales (C.I.W.) which are open to all childcare and play providers within Carmarthenshire. The Family Information, Childcare and Play Team recently undertook a training procurement exercise for the delivery of their training for 2020-2022. The new training provider who will be delivering the Food Hygiene course and accredited Paediatric First Aid course is First Rate Training. From January 2020 we will be offering Advanced Safeguarding Children (non-accredited) training as an alternative to the Introduction to Child Protection course which was previously offered, this will continue to be delivered by Clybiau Plant Cymru.

These courses are heavily subsidised by the Local Authority and are restricted to two members of staff from each setting attending each course. To book on to these mandatory courses please contact the Family

Information, Childcare and Play Team on 01267 246560 (Tuesday to Thursday). Further information about the range of services we currently offer can be accessed via: <http://fis.carmarthenshire.gov.wales>

**Invoices will be issued with all bookings.**

\*Please note that due to rising costs for training we no longer provide buffet facilities, could you please ensure you bring your own food; sorry if this causes any inconvenience.

**Participants who wish to cancel a booking must do so 48 hours prior to the date of the course via telephone. The phone number to cancel MANDATORY courses is (01267) 246560.**

**Participants who fail to attend a MANDATORY training course will be fined £50 and will not be permitted to book on to future courses until this fee has been paid. These changes have been necessary due to a high number of unfilled courses, and wasted places. We are keen to ensure that as many staff as possible can access the training they require before certificates expire. This is becoming increasingly challenging with budget reductions.**
