Book launch

Shiver me timbers!

To coincide with national 'Talk like a Pirate Day' PACEY Cymru are delighted to be formally launching their newly published story book Pirate Puw's Quest. The book has been written in partnership with childminders through support from funding received by Welsh Government.

Pirate Puw's Quest has been developed to support promotion of quality, registered childcare. The book has a childminder in the central role that emphasises positivity and professionalism and most importantly it was created to be an enjoyable story book that can be shared with children.

The launch will take place through an online webinar with key speakers. To further support this PACEY Cymru will be delivering a short session to share good practice around the development of associated resources including a themed story sack and bilingual activity ideas to further enhance the learning opportunities for children. Attendance will be free for those working in the sector in Wales.

PACEY Cymru Book Launch

Saturday 19th September 2020

Online Webinar 10.30am – 12pm

Please note booking is essential.

We'd really like to have you join our celebration, to book on to the virtual launch please contact us on: paceycymru@pacey.org.uk
