

Access to Childcare in Wales: Voices of Parents

Are you passionate about creating a more equitable childcare system in Wales? Your voice and actions can make a real difference!

*Join the movement to **#MakeCareFair** by sharing your voice on childcare!*

By sharing your experiences and recommendations, you'll help us advocate for meaningful reforms and ensure that every child and caregiver has access to high-quality, affordable childcare options.

Participate in our survey and spread the word!

Take a few moments to complete our survey and make your voice count. Share it with your partner, friends, and parents' networks using every means available to you: WhatsApp groups, baby/NCT/PTA groups, and beyond! Simply visit <https://bit.ly/childcarecymru> to get started.

Remember, even if you don't have children under nine years old, someone in your network might have valuable insights to share. Help us reach as many voices as possible by sharing the survey widely!

Together, we can build a childcare system in Wales that works for everyone.
