Spring Term Training Programme 2026

		<u>Participants will not be admitted if they are 10 minutes late and will be refused entry.</u>			
January 27th & 29th	Tuesday 27 th 6pm - 9pm Thursday 29 th 6pm - 9pm	<p>Child Development</p> <p>A comprehensive understanding of child development is crucial for all professionals engaged with children. Familiarity with typical developmental patterns enables practitioners to recognise when a child may be experiencing difficulties and may require additional assistance to make progress across various developmental areas. A solid grasp of developmental principles can enhance child safety, promote overall wellbeing, aid in assessments, and guide the selection of appropriate interventions and support tailored to individual needs.</p> <p>This course is designed for all practitioners, who work with children aged 0-12 and seek to deepen their knowledge of developmental expectations at different stages and how they can effectively support children in their roles.</p> <p>**Must attend both training dates**</p> <p><u>Participants will not be admitted if they are 10 minutes late and will be refused entry.</u></p>	Children in Wales	<i>Online via Teams</i>	Fully Funded £0
